RECOMMENDED FINAL MANDATORY CASH OFFER

for

Best of the Best plc

by

Globe Invest Limited

1. Introduction

On 20 June 2023, Globe Invest Limited (“**GIL**”), the Cyprus registered and headquartered single-family office and investment holding company of Mr. Teddy Sagi, announced that it had reached agreement with Best of the Best plc (“**BOTB**”) on the terms of a recommended cash offer to be made by GIL to acquire all of the issued and to be issued shares in the capital of BOTB (“**BOTB Shares**”) not already owned by GIL (the “**Offer**”), to be implemented by way of a takeover offer within the meaning of Part 28 of the Companies Act. Under the terms of the Offer, the shareholders of BOTB (the “**BOTB Shareholders**”) will be entitled to receive 535 pence in cash for each BOTB Share (the “**Offer Price**”). Terms defined in the announcement of 20 June 2023 (the “**Offer Announcement**”) bear the same meaning when used in this announcement.

2. Mandatory Offer

On 29 June 2023, GIL announced that it had acquired, through market purchases, 733,678 BOTB Shares at the Offer Price and as a result owned, at that date, in aggregate 38.67 per cent. of BOTB’s issued share capital. As a result of those market purchases, under Rule 9 of the City Code on Takeovers and Mergers (the “**Code**”), GIL announced on 29 June 2023 that the Offer had become a mandatory cash offer for the entire issued and to be issued share capital of BOTB not already owned or controlled by GIL (or any persons acting in concert with it) at a price of 535 pence in cash per BOTB Share (the “**Mandatory Offer**”).

The Mandatory Offer will, save as set out in this announcement, be made solely by the offer document (the “**Mandatory Offer Document**”) which is expected to be despatched to BOTB Shareholders very shortly and in any event within 28 days of the date of the Offer Announcement.

Offers made under Rule 9 of the Code must be conditional only upon the offeror having received acceptances in respect of shares which, together with shares acquired or agreed to be acquired before or during the offer, will result in the offeror and any person acting in concert with it holding shares carrying more than 50 per cent. of the voting rights in the offeree company (the “**Mandatory Offer Condition**”). Full details of the Mandatory Offer Condition are included in GIL’s announcement of 29 June 2023.

3. Further Market Purchases

GIL announces that since 29 June 2023 it has, through further market purchases, acquired a further 1,725,857 BOTB Shares at the Offer Price of 535 pence per BOTB Share and now owns (subject to settlement, which is expected on Friday 14 July 2023), in aggregate, 4,961,275 BOTB Shares, representing approximately 59.30 per cent. of BOTB’s issued share capital. This excludes the

irrevocable undertakings to accept the Offer received by GIL in respect of 1,736,025 BOTB Shares (as set out in detail in the Offer Announcement).

As a result, the Mandatory Offer, when made, will be unconditional from the outset, as the Mandatory Offer Condition will already have been satisfied.

In accordance with the requirements of the Code, the Mandatory Offer, when made, will be open for not less than 21 days and GIL will give not less than 14 days' notice before closing it.

GIL intends to continue to acquire additional BOTB Shares at the Offer Price by means of market or other purchases and in accordance with the Code. BOTB Shareholders who wish to sell their holdings of BOTB Shares to GIL may do so either by means of a market sale or by accepting the Mandatory Offer via the acceptance procedure that will be set out in the Mandatory Offer Document.

When aggregated with the 1,736,025 BOTB Shares in respect of which GIL has received irrevocable undertakings to accept the Offer, GIL will be interested in, in aggregate, a total of 6,697,300 BOTB Shares, representing approximately 79.15 per cent. of BOTB's issued and to be issued share capital.

On full performance of the obligations under the irrevocable undertakings referred to above, GIL will, by virtue of its shareholding (and the shareholdings of any concert parties) and acceptances of the Offer, have acquired or unconditionally agreed to acquire BOTB Shares carrying 75 per cent. or more of the voting rights of BOTB.

GIL therefore intends to procure that BOTB makes an application to the London Stock Exchange for the cancellation of the admission to trading of BOTB Shares on AIM as soon as practicable following the performance of the obligations under the irrevocable undertakings, relying on the principle in the notes on AIM Rule 41 that the London Stock Exchange would normally not require a separate shareholder approval for this, should that threshold be achieved as a result of the Offer (the “**Delisting**”).

A further announcement will be made regarding the expected date of Delisting in due course. In such circumstances, GIL also intends that BOTB should seek to re-register as a private company and adopt new articles of association more suited to a privately controlled company.

4. General

Save as set out in this announcement and GIL's announcement on 29 June 2023, and as will be further explained in the Mandatory Offer Document, the Mandatory Offer will be subject to the same terms and conditions as the Offer as set out in the Offer Announcement. Accordingly, your attention is drawn to the Offer Announcement, which is available on GIL's website at www.globeinvest.com and the BOTB's website at www.botb.com/about/investors/offer.

Copies of this announcement will be made available on GIL's website at www.globeinvest.com and on BOTB's website at www.botb.com/about/investors/offer.

Overseas Shareholders

The Mandatory Offer relates to securities in a company which is incorporated in the United Kingdom, which is admitted to trading on the AIM market of the London Stock Exchange and is subject to the disclosure requirements, rules and practices applicable to such companies, which differ from those of the United States in certain material respects. This document has been prepared for the purposes of complying with English law, the AIM Rules and the rules of the London Stock Exchange and the Code, and the information disclosed may not be the same as that which would have been disclosed if this document had been prepared in accordance with the laws of jurisdictions outside the United Kingdom.

The release, publication or distribution of this Announcement in or into certain jurisdictions other than the United Kingdom may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about, and observe, any applicable requirements.

To the fullest extent permitted by applicable law, the companies and persons involved in the Mandatory Offer disclaim any responsibility or liability for the violation of such restrictions by any person.

Copies of this Announcement and formal documentation relating to the Mandatory Offer shall not be, and must not be, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any jurisdiction where to do so would violate the laws of that jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from any Restricted Jurisdiction. Doing so may render invalid any related purported acceptance of the Mandatory Offer.

Unless otherwise permitted by applicable law and regulation, the Mandatory Offer may not be made, directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including, but not limited to, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Mandatory Offer may not be capable of acceptance by any such use, means, instrumentality or facilities.

Further details in relation to Overseas Shareholders will be contained in the Mandatory Offer Document.

If you are a resident of the United States, please read the following:

The Mandatory Offer is being made to acquire the securities of BOTB, a company incorporated under the laws of the United Kingdom and is being made in the United States in reliance on, and compliance with, the exemption from certain requirements of Regulation 14E under the US Securities Exchange Act of 1934 afforded by Rule 14d-1(d) thereunder. The Mandatory Offer shall be made in the United States by GIL and no one else.

The Mandatory Offer is subject to the disclosure and procedural requirements of the United Kingdom, which differ from those in the United States. In addition, the payment and settlement procedure with respect to the Mandatory Offer shall comply with the relevant United Kingdom rules, which differ from United States payment and settlement procedures. Neither the SEC, nor any securities commission of any state of the United States has approved the Mandatory Offer, passed upon the fairness of the

Mandatory Offer or passed upon the adequacy or accuracy of this document. Any representation to the contrary is a criminal offence in the United States.

In accordance with normal United Kingdom practice, GIL or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of BOTB outside of the US, other than pursuant to the Mandatory Offer, before or during the period in which the Mandatory Offer remains open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases shall be disclosed as required by law or regulation in the United Kingdom and the United States, and, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

Financial information relating to BOTB included in the Offer Announcement has been extracted from BOTB's published financial statements, prepared in accordance with UK adopted international accounting standards (collectively, "IFRS"), and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

GIL is organised under the laws of Cyprus and BOTB is organised under the laws of the United Kingdom. Some or all of the officers and directors of GIL and BOTB, respectively, are residents of countries other than the United States. In addition, most of the assets of GIL and BOTB are located outside the United States. As a result, it may be difficult for US shareholders of BOTB to effect service of process within the United States upon GIL or BOTB or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the federal or state securities laws of the United States.

Forward-Looking Statements

This document (including information incorporated by reference in this document), oral statements made regarding the Mandatory Offer, and other information published by BOTB, GIL or any member of the Wider GIL Group contain statements which are, or may be deemed to be, "forward looking statements". Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which GIL or any member of the Wider GIL Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements. The forward-looking statements contained in this document relate to GIL, any member of the Wider GIL Group or, following the acquisition of BOTB, the enlarged group's future prospects, developments and business strategies, the expected timing and scope of the Mandatory Offer and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors. Neither BOTB or any of GIL or any member of the Wider GIL Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this document shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements. The forward-looking statements speak only at the date of this document. All subsequent oral or written forward- looking

statements attributable to any member of the Wider GIL Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

GIL and the Wider GIL Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

Except as otherwise stated, no statement in this Announcement is intended or shall be deemed to be a profit forecast, estimate or projection of the future financial performance of GIL or BOTB for any period except as otherwise stated and no statement in this Announcement should be interpreted to mean that cashflow from operations, earnings or earnings per share or income of those persons (where relevant) for the current or future financial years would necessarily match or exceed the historical published cashflow from operations, earnings or earnings per share or income of those persons (where relevant).

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. on the 10th business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk>, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact

the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
