

Win Free: Competition Rules

Win Free Competitions are free to enter. Tickets are allocated to participants on the basis of their interactions with BOTB. Examples of this include, but are not limited to, social media giveaways, email marketing, new account registrations, voucher codes and app activity. The Promoter reserves the right to define and adjust such ticket allocations at any time, all methods of entry being clearly communicated and accessible to potential participants.

There is no Postal Entry route available for Win Free Competitions as participation remains free and does not require any purchase or financial commitment. Game Credit cannot be used to enter into Win Free Competitions.

Details of Win Free Competitions tickets, including their expiry date, are shown in the 'My Free Tickets' section of your registered BOTB Account. You will receive an email for all confirmed entries into Win Free Competitions and details will be stored in the 'My Competitions' section of your BOTB Account.

Each Win Free Competition will run for a specified Promotion Period, as stated on the relevant Win Free Competition page of the Website or App. Prize details and any applicable cash alternatives will also be displayed on the Win Free Competition page. At the end of each Win Free Competition, the Winner will be drawn using a verifiably random process from all eligible entries in a specific Promotion Period. The draw will be independently conducted by Promo Veritas, and the decision of the random draw will be final.

Winners will be required to send a copy of their photo ID to the Promoter to confirm their identity and age. Winners will also be required to provide photographs and/or pose for photographs and videos, which may be used in marketing and public relations by the Promoter in connection with the Competition and in identifying them as a winner of a Competition.
