### EXAMPLES OF HOW TO PROMOTE BOTB ON SOCIAL MEDIA:

#### INSTAGRAM:

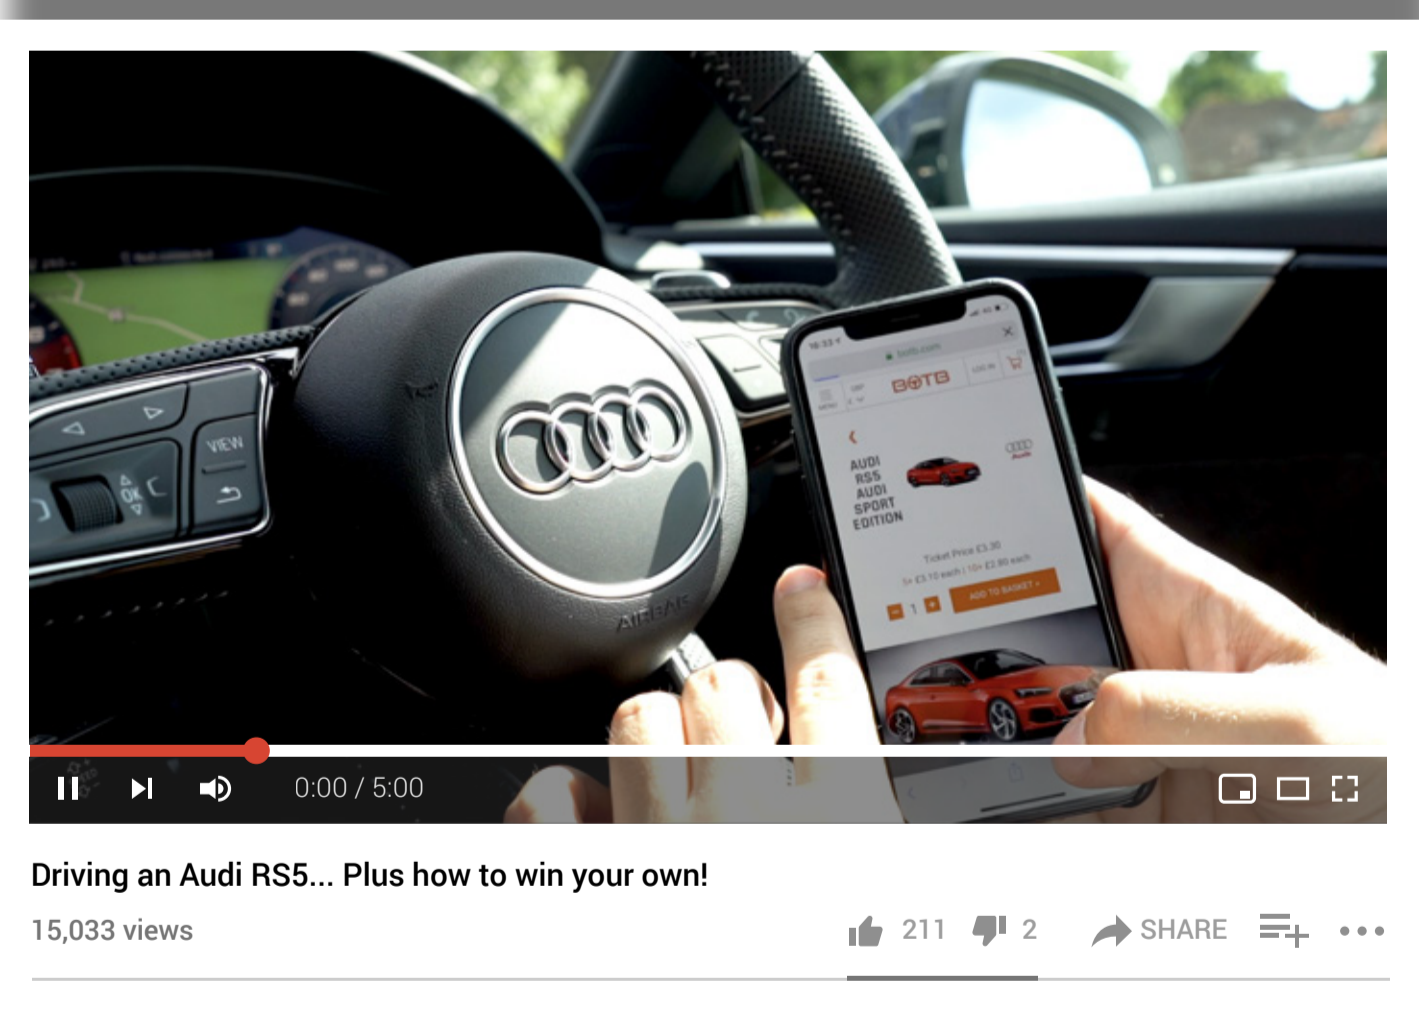

If you haven't already got a website in the bio of your Instagram page we recommend adding your BOTB link. Users with over 10,000 followers can also promote within Instagram stories by utilising the swipe up feature.

#### FACEBOOK:

There are several links and creatives in Awin to choose and you can also use the Link Builder to create a trackable link to a specific car or prize. Copy and paste the page URL you want into the 'Destination URL' field and a trackable link is generated.

#### YOUTUBE:

When using YouTube to promote BOTB we find it helps to use screenshots, screen recordings or footage interacting with the website. Don't forget to add your BOTB affiliate link in the video description and prompt viewers to click it. Pinned comments are also an effective way to increase the visibility of your promotion.

If you would like to use stock footage and voice over from BOTB instead, please get in touch.

### HOW TO SHORTEN YOUR BOTB LINK?

The URL Awin provide is fairly long, so you may wish to shorten the link. Bitly is a free service for creating shortened URLs that can be customised too. A shortened Bitly link looks like the following: [bit.ly/Win-Your-Dream-Car](http://bit.ly/Win-Your-Dream-Car)
