

BEST OF THE BEST TERMS OF USE

1. ABOUT US

1.1 Winvia Entertainment Plc (formerly known as Best of the Best Limited) ("Promoter", "we", "us", "our(s)"), with company number 03755182 and registered office at 2 Plato Place, 72-74 St Dionis Road, London SW6 4TU, operates prize competitions at selected events and on our apps and website www.botb.com (the "Website").

1.2 We run several categories of prize competitions on the Website: '**Spot the Ball Competition(s)**', '**Skill-based Competition(s)**', '**Free Entry Competition(s)**' and prize draws where the outcome (and therefore allocation of prizes) is determined by chance, and where there is both a paid and free entry route for players to choose between (each a '**Competition**' and together referred to as the '**Competition(s)**').

2. APPLICABILITY AND ACCEPTANCE

2.1 By using the Services (see clause 2.2 below for how 'Services' is defined), you are entering into a legally binding agreement with us, which is comprised of:

(a) these general terms of use ('**Terms of Use**');

(b) any rules that apply to specific Competitions that we offer ('**Competition Rules**');

(c) any terms that apply to specific promotional activities that we may offer not included herein ('**Promotional Terms**'); and

Together, the Terms of Use, the Competition Rules and the Promotional Terms shall be referred to as the '**Terms and Conditions**'.

2.3 The Competitions that we offer may have their own Competition Rules, which are additional terms and conditions containing information and requirements that apply to your entry into that specific Competition. The relevant Competition Rules can be found in the corresponding Competition page(s) of our apps and the Website.

2.4 We may decide to offer various promotional activities in connection with certain Competitions, including loyalty schemes, bonus offers, vouchers, discount codes, and game credits which may be redeemed by logging into your BOTB Account and used to enter Competitions. For example, for a limited amount of time during a Promotion Period (see clause 10.1 below for how 'Promotion Period' is defined), we may offer game credits which are balances that can be used on our apps and/or the Website as a discount to the cost of entry into Competitions but cannot be withdrawn or used other than to enter that Competition ('**Game Credits**'). Any Promotional Terms that apply to a specific promotional activity will be made available on our apps and/or the Website.

2.5 In the event that there is any conflict or inconsistency between the Terms of Use, the Competition Rules and/or the Promotional Terms, the order of priority in which they shall apply will be: the Promotional Terms, then the Competition Rules, then the Terms of Use.

3. CHANGES TO THE TERMS AND CONDITIONS

3.1 We may make changes to the Terms and Conditions from time to time (for example, we may do this to comply with a change in applicable law), and we may provide you with notice of such changes, provided that where we make any material changes to the Terms and Conditions then we will attempt to provide reasonable notice to you in advance of making such changes, where reasonably possible. If we incorrectly deliver a prize to you, you are obliged to promptly notify us upon your discovery of the error, take reasonable care of the prize whilst it is in your possession, and return the prize to us (in the same condition in which you received the prize) within 14 (fourteen) calendar days of receiving our return instructions. 9. COMPETITION ENTRY

General

- 9.1 The Competitions may be entered online via our apps and the Website (for example, by purchasing Tickets, using Game Credits, through our promotional offers, using vouchers which have been purchased at physical locations and can be redeemed for Tickets or Game Credits equal to the value of the voucher, and/or by any other means made available by the Promoter at any time), by postal entry for certain Competitions as designated by the Promoter ('**Postal Entry**'), by SMS entry for certain Competitions as designated by the Promoter ('**SMS Entry**'), or via third party websites by purchasing online entries. One or more Competitions may be operated at the same time and each Competition will have specific prize options and entry methods as made available by the Promoter at any time and detailed in our apps and/or the Website.
- 9.2 Competitions may be limited to a maximum number of entries. Such Competitions will close either when the last Ticket is sold or when the Promotion Period for entries ends (whichever is earlier) and, subject to clause 10.2, no further entries will be accepted after this point. In the event that a Competition is limited to a maximum number of entries, an indication of the remaining or total number of entries will be displayed on the relevant Competition page on our apps and/or the Website in a format deemed appropriate by us (e.g., numerical count, percentage indicator, or progress bar).
- 9.3 We reserve the right in our sole discretion to adjust the entry requirements, rules and formalities of any Competition and to organize any Competition under any variety of name, provided that any such adjustment is made in accordance with the Terms and Conditions.
- 9.4 We reserve the right to refuse or disqualify any incomplete entries. If we have reasonable grounds to believe that you have committed a material breach of the Terms and Conditions, then any entry(ies) that you have made will be forfeited and you will not be entitled to a refund for any fees or expenses incurred in connection with such entry(ies).
- 9.5 To the fullest extent permitted by applicable law, all entries become our property and will not be returned.

How To Enter

- 9.6 To enter our Competitions, you must complete the relevant steps below for each Competition:
- (a) **Spot the Ball Competitions:** You must first register a BOTB Account in accordance with the instructions contained in clause 8 and purchase an online Ticket. For each Spot the Ball Competition Ticket that you purchase, you will be entitled to complete 1 (one) 'Spot the Ball Challenge' onscreen, which shall operate as follows:
- (i) you will be shown a sporting photograph which will not contain a ball;
 - (ii) using all the information shown in the sporting photograph displayed on the screen, use your skill and judgement to correctly identify the position which you consider the Judge(s) (see clause 11.1 for how 'Judge' is defined) will decide, is the most likely position for the centre of the ball if one had been present in the image;
 - (iii) click or tap on the screen to mark this spot (you can see your spot's coordinates on the screen);
 - (iv) your device will register this spot as your entry into the Competition in the form of an (x, y) coordinate;
 - (v) you may repeat the 'Spot the Ball Challenge' for as many entries as you wish to make, up to the specified maximum Competition Entry Limit (see clause 9.26 for how 'Competition Entry Limit' is defined) as specified on the relevant Competition page on our apps and/or Website (provided that you will require 1 (one) Ticket for each entry).
- (b) **Skill-based Competitions:** You must first register a BOTB Account in accordance with the instructions contained in clause 8 and purchase an online Ticket. For each Skill-based Competition Ticket that you purchase, you will be entitled to complete the 'Multiple Choice Challenge' onscreen, which shall operate as follows:

 - (ii) use your skill and judgement to identify the correct answer out of a choice of potential answers;
 - (iii) select your answer on the screen; your device will register this answer as your entry into the Skill-based Competition;
 - (iv) you may select as many entries for the 'Multiple Choice Challenge' as you wish to make, up to the specified maximum Competition Entry Limit (provided that you will require 1 (one) Ticket for each entry, and you may only make 1 (one) 'Multiple Choice Challenge' answer which will apply to all the Tickets you have purchased for that single 'Multiple Choice Challenge').
- (c) **Free Entry Competitions:** Free Entry Competitions are exclusively free to enter; Tickets cannot be purchased for this type of Competition and Postal Entry and/or SMS Entry are also not permitted. Free Entry Competition tickets may be awarded at the Promoter's sole discretion where you complete certain actions (for example, Free Entry Competition tickets may be allocated upon the first registration of your BOTB Account).
- 9.7 Game Credit can be won in, and used to enter, any of our Competitions.

Postal Entry Specific Requirements

- 9.8 Where a Competition permits Postal Entry, you have a choice of whether to participate by paying for a Ticket or by Postal Entry, up to the maximum Competition Entry Limit.
- 9.9 Other than the cost of postage, there is no requirement to pay to enter using the Postal Entry route. Each Postal Entry has the same chance per entry of winning a prize as Tickets purchased online or via any other entry method.
- 9.10 Where a Competition permits Postal Entry, you must have an active BOTB Account at the time the Postal Entry is processed and all details provided on the postcard or letter must match the details on the related BOTB Account. In order to participate in a Competition by Postal Entry, you must send a clear handwritten postcard or letter (mechanically produced entries are not permitted) to the address detailed in clause 25.1(c) and containing the following information:
- a) full name;
 - b) address (including city and post code);
 - c) telephone number;
 - d) registered e-mail address for your BOTB Account;
 - e) name of the Competition you want to enter; and
 - f) if applicable, your choice of prize from the selection available for the respective Competition in respect of Competitions where entrants must pre-select a prize.
- 9.11 First or second-class postage must be paid for each individual entry. Postal Entries are required to be stamped and delivered by a postal service; postcards and/or letters will not be accepted directly through the letterbox.
- 9.12 Each postcard or letter must be sent through a postal service and be received by us within the Promotion Period. Any participating postcard or letter that has a postage stamp date outside the Promotion Period will not be accepted as a valid Postal Entry.
- 9.13 A maximum of 1 (one) Postal Entry can be made per postcard or letter received; bulk entries (within the same envelope) will not be accepted. You may send separately as many Postal Entries as you wish, up to the maximum Competition Entry Limit.
- 9.14 Please note that when entering by Postal Entry you will not be deemed entered into the Competition until we confirm your entry to you by email or it is registered in your BOTB Account.
- 9.15 Any Postal Entries that fail to comply with all of the requirements above will be considered void.
- 9.16 All valid Postal Entries will be processed by us as soon as reasonably possible but on business days only.
- 9.17 All valid Postal Entries will be included in the corresponding prize draw for the relevant Competition, alongside valid paid Tickets.
- 9.18 In the event that there are any special requirements regarding additional information which needs to be provided on the relevant Postal Entry postcard or letter (in addition to those listed above), details will be provided on the relevant Competition page on our apps and/or the Website.
- SMS Entry Specific Requirements**
- 9.19 Where a Competition permits SMS Entry, you have a choice of whether to participate by SMS Entry or by Postal Entry, up to the maximum Competition Entry Limit.
- 9.20 In order to participate in a Competition by SMS Entry, you must send an SMS message to a specified number containing a key word/phrase as will be specified on the relevant Competition page on our apps and/or Website.
- 9.21 If the SMS message does not start with the valid keyword/phrase and is not sent to our designated phone number, you will not be entered into the relevant Competition.
- 9.22 When entering a Competition by SMS Entry:
- (a) the cost of entry will be your standard network rates plus an additional amount charged by the Promoter (which will reflect the cost of your entry into that specific Competition) and will be clearly displayed on the relevant Competition page on our apps and/or the Website (however, please be aware that network providers may charge varying standard network rates for sending SMS messages to the Promoter so you should always check with your network provider in advance of making an SMS Entry);
 - (b) you will need a valid UK mobile phone number in order to enter and if we cannot verify your UK mobile phone number, you may not be entered into the relevant Competition;
 - (c) you must have the bill payer's permission to enter using the SMS Entry method and we will not issue refunds for SMS Entries where bill payer's permission was not sought in advance;
 - (d) invalid or unsuccessful entries made by the SMS Entry method may still be charged; and
 - (e) you acknowledge and accept that network providers may limit the number of SMS messages (and therefore SMS Entries) that you are permitted to send to us which is beyond our reasonable control.
- 9.23 If you have successfully entered by SMS Entry, you will receive an automated SMS confirmation from the Promoter.
- 9.24 There is no requirement to have an active BOTB Account at the time your SMS Entry is submitted, however you must have a valid UK phone number that we can verify. If you do have an active BOTB Account, your SMS Entry will be automatically allocated to your

BOTB Account. However, if you do not have an active BOTB Account at the time the SMS Entry is processed, you may be required to provide certain personal information to the Promoter so that we can verify your SMS Entry and create a temporary BOTB Account for the purposes of entering into the Competition.

9.25 We reserve the right in our sole discretion to run SMS Entry promotions for any Competition at any time.

Entry Limitations

9.26 The maximum number of Competition entries that can be made by you in a single Competition will be specified on the relevant Competition page on our apps and/or Website (**'Competition Entry Limit'**).

9.27 Subject to clause 9.28, if you have reached the Competition Entry Limit for a Competition then you will not be permitted to make any further entries into that Competition. Entries obtained via an existing Subscription, through the purchase of Tickets, through the use of Game Credit, and/or any other method of obtaining entries, will all contribute to the Competition Entry Limit.

9.28 However, if you:

- (a) have reached the Competition Entry Limit for a Competition;
- (b) are not an existing subscriber; and
- (c) subsequently purchase a Subscription that grants you entries into that same Competition,

those Subscription entries will not be affected by the Competition Entry Limit and may be used to enter that Competition.

Payments

9.29 You acknowledge and accept that the pricing of Competitions and Tickets is in our discretion and will be specified at the point of sale and/or displayed on the relevant page(s) of our apps and the Website.

9.30 When you are ready to purchase your Ticket(s), please provide your contact and payment details. Payment can be made by the payment methods as specified on the relevant page(s) of our apps and the Website. Certain banks may impose banking charges for making transactions in connection with your purchase and such charges may vary by operator and country; please check with your bank for more details.

9.31 Once your payment has cleared, we will confirm your entry into the relevant Competition through your registered BOTB Account. Please note that when entering online you will not be deemed entered into the Competition until we confirm your Ticket(s) order in your registered BOTB Account. Except as expressly provided elsewhere in these Terms, once a Ticket has been used to participate in a Competition, no refund, credit, exchange or cancellation shall be made in respect of it.

9.32 In the event that the Winner of a Competition requests a cash payment in a currency other than GBP, the amount paid will be converted using the relevant exchange rate applicable at the time of the transaction. Please note that exchange rates are subject to fluctuation, and the final amount received by the Winner in the requested currency may vary. Additionally, any associated conversion or processing fees charged by the payment provider or financial institutions will be deducted from the winnings and will be the responsibility of the recipient.

10. PROMOTION PERIODS

10.1 Each Competition will run for a specified period. Please see each relevant Competition on our apps and/or the Website for details of start and end times and dates (**'Promotion Period(s)'**).

10.2 For any Competition where Postal Entry and/or SMS Entry is permitted, the Promotion Period shall be identical for each method of entry (including for purchased Tickets). To ensure that sufficient time is allowed for postcards, letters and/or SMS messages to be received and processed by us, the actual date of the draw will be no earlier than the second business day following the end of the Promotion Period.

11. COMPETITION JUDGEMENT AND DRAW PROCESS

Spot the Ball Competitions

11.1 The position of the centre of the ball will be determined after the close of the Competition by an independent Panel of Judges (sporting experts appointed by the Promoter – the **'Judge(s)'**) using their sporting experience in the presence of a qualified lawyer and a representative from the Promoter (the **'Judge's Position'**).

11.2 Within 48 (forty-eight) hours of the end of the respective Spot the Ball Competition, the Judge's Position will be computed against the database of coordinates to mathematically calculate which of the valid and eligible entries received by the Promoter is closest to the Judge's Position, and therefore becoming the winning entrant (the **'First Prize Winner'**) of the prize. The First Prize Winner will be the person who correctly identifies, or if no one is correct, who is closest to, the Judge's Position. For the avoidance of doubt, distance will be measured by calculating the straight-line distance from each valid and eligible entry to the Judge's Position (**'Distance'**). Each of the next 20 (twenty) entries after the First Prize Winner which are closest to the Judge's Position shall be referred to as **'Potential STB Runner(s)-Up'**.

11.3 In the event that there are two or more entrants with valid and eligible entries that are equally close to, or exactly match, the Judge's Position (each a **'Tie Break Entry'**), then the entrants to whom such Tie Break Entries belong, identified by their BOTB Account (the **'Tie Break Entrants'**), will participate in a tie break mechanic to determine the First Prize Winner for such Competition, as follows:

- (a) **Tie Break Scenario 1** – in the event that each of the Tie Break Entrants has made multiple entries to the Competition, the other entries to the Competition made by each Tie Break Entrant using the same BOTB Account as their respective Tie Break Entry will be used to determine the First Prize Winner as follows:
- (i) the First Prize Winner will be determined by calculating the Distance of the next closest entry of the Tie Break Entrant in that Competition (excluding the Tie Break Entry) ('**TB1 Entry(ies)**') to the Judge's Position ('**Tie Break 1**'). In the event that a single Tie Break Entrant has more than 1 (one) entry involved in Tie Break 1, then each TB1 Entry thereafter will be considered individually and is eligible to be the next closest entry;
 - (ii) In the event that Tie Break 1 results in a tie break, the Tie Break 1 process will be repeated until there are no more TB1 Entries to judge;
 - (iii) For the avoidance of doubt, it is not necessary for the Tie Break Entrants to have made the same number of entries. However, judging under Tie Break 1 will cease when there are no longer sufficient TB1 Entries to compare. For example, if the first Tie Break Entrant has made a total of 5 (five) entries and the second Tie Break Entrant has made a total of 10 (ten) entries, judging will cease after a maximum of 4 (four) rounds of Tie Break 1 because the first Tie Break Entrant has no further TB1 Entries to compare. If a First Prize Winner cannot be determined by using the Tie Break 1 process, such tied entrants ('**TB1 Tie Break Entrants**') will participate in Tie Break 2 (see clause 11.3(b) below for how 'Tie Break 2' is defined);
- (b) **Tie Break Scenario 2** – in the event that 1 (one) or more of the Tie Break Entrants has only made 1 (one) entry to the Competition or in the event that Tie Break 1 results in a tie break:
- (i) the Tie Break Entrants or the TB1 Tie Break Entrants (as relevant) will be asked to take part in another 'Spot the Ball Challenge' using a new sporting photograph in order to determine a single First Prize Winner which will be judged in accordance with new Judge's Position (the '**Tie Break 2**');
 - (ii) Tie Break 2 will be entered and judged on the same terms as the original 'Spot the Ball Challenge' and there will be no additional payment due. In the event that Tie Break 2 results in a tie break, the Tie Break 2 process will be repeated with the respective tied entrants until there is a single First Prize Winner. In the event that a single entrant has more than 1 (one) entry involved in Tie Break 2, each entry will be eligible as a separate Tie Break 2 entry;
 - (iii) If the Promoter is unable to contact 1 (one) or more of the Tie Break Entrants or the TB1 Tie Break Entrants (as relevant) for Tie Break 2 within 3 (three) calendar days (which may be extended in our sole discretion) of identifying such Tie Break Entrants (or TB1 Tie Break Entrants, as relevant), Tie Break 2 will be concluded without that particular Tie Break Entrant or the TB1 Tie Break Entrant (as relevant).
- (c) All Tie Break Entrants, including those that we were unable to contact, will be automatically allocated a tie break prize in accordance with clause 13.1(g).

11.4 The Potential STB Runner-Up with the next closest coordinates to the Judge's Position shall be referred to as the 'STB Runner-Up'. In the event that a tie break is required to determine which Potential STB Runner-Up has the next closest coordinates, the outcome to determine the STB Runner-Up will be decided in accordance with the tie break provisions provided in clause 11.3.

Other Competitions

11.5 The winning entrant for any Competition other than a Spot the Ball Competition shall be drawn by an independent promotional verification service (such as PromoVeritas or similar), using its certified random number generator software. Following the end of the respective Promotion Period, all eligible entries received by the Promoter during the Promotion Period will be reviewed and entered into a random draw to select the winning entrant' and any other prize winner(s) if applicable. In the case of Skill-based Competitions, only entrants that have answered the relevant question correctly will be entered into the draw.

Notification of Winners

11.6 The First Prize Winner, the STB Runner-Up (see clause 11.4 above for how 'STB Runner-Up' is defined), the Tie Break Entrants, Game Credit Winners, any Competition Winner(s), and Instant Win winners are collectively referred to as '**Potential Winner(s)**' and once a Potential Winner has been confirmed and verified as a winner, the Potential Winner will be regarded as a '**Winner**' for the purposes of the Terms and Conditions.

11.7 We will make reasonable attempts to contact Potential Winner(s) using the telephone numbers and/or email address provided at the time of entry (or as subsequently updated) and held securely in our database. It is the entrant's sole responsibility to check and update these details. If, for any reason, the entrant records their details incorrectly, we will not be held responsible. Entrants must carefully check their contact details have been stored correctly.

11.8 If, for any reason: (i) we are unable to contact a Potential Winner within 5 (five) calendar days (which may be extended in our sole discretion) of the end of a Competition; (ii) the Potential Winner fails to confirm acceptance of the prize within 30 (thirty) calendar days as of the date on which the prize is visible in the BOTB account, or as of the date we are able to successfully contact them (which may be extended in our sole discretion); (iii) the Potential Winner is disqualified as a result of contravening any of the Terms and Conditions, or (iv) the Potential Winner fails to complete or provide any outstanding information required as part of the account registration process within 10 (ten) calendar days from the date on which we first contact them to notify they are a Potential Winner (which may be extended in our sole discretion), then the Potential Winner will be deemed to have forfeited the prize, and the winning entry shall be void and that Potential Winner shall have no entitlement, claim or right whatsoever in respect of the prize. In such circumstances, the Promoter shall, at its sole and absolute discretion, be entitled to: (a) select or draw an alternative winner in accordance with these Terms and Conditions; and/or (b) reallocate, redistribute or roll over the prize for use in a future Competition

or as part of a prize pool for one or more subsequent draws; and/or (c) permanently void and withdraw the prize in its entirety, without any obligation to award or substitute it.

For the avoidance of doubt, we shall incur no liability towards Potential Winner(s) once the prize has been deemed forfeited by such Potential Winner(s). Where no specific prize acceptance provisions are set out for a particular competition, the conditions contained in clause 11.8 shall apply by default to such competition.

- 11.9 We reserve the right in our sole discretion to extend the closing date of any Competition, if, for any reason, any aspect of the Competition is not capable of running as planned, including by reason of infection by computer virus, network failure, bugs, tampering, unauthorised intervention, fraud, technical failures or any cause beyond our reasonable control which corrupts or affects the administration, security, fairness, integrity or proper conduct of the Competition. We may, in our sole discretion, cancel, terminate, modify or suspend a Competition, or invalidate any affected entries, provided that we will try to provide prior notice to you, where possible. In the event that we close a Competition early, the Potential Winner may be selected from all valid and eligible entries that we receive prior to the date of closure, except that we reserve the right, in our sole discretion, to close a Competition early without selecting a Potential Winner. In the event that a Competition is closed without selecting a Potential Winner, we will give all entrants Game Credit to enable them to replay equivalent entries in a subsequent Competition.

12. WINNER'S DETAILS

- 12.1 For certain Competitions or for certain prizes, Potential Winners may be required to provide documentary evidence for us to verify their identity, age and/or eligibility to participate in the relevant Competition, and to fill in and sign a specific forms before any prize will be paid or delivered. The same requirements may be made in case of reasonable suspicions of any form of fraudulent, improper or illegal activity. Any failure to meet these obligations may result in the Potential Winner being disqualified and the Promoter choosing an alternative Winner.
- 12.2 All Potential Winners may be required to provide photographic evidence to assist the Promoter to identify them as a Winner.
- 12.3 Following receipt and verification of the details requested above by the Promoter, the Winners will be contacted in order to make arrangements for delivery of the prize. In the event that the Competition did not allow for the pre-selection of a prize, the Winner must choose between the selection of the available prizes (as detailed in the Competition prize information on our apps and/or the Website) through their BOTB Account.
- 12.4 In your BOTB Account, you have the option to add the contact details of another person who we can contact to help arrange a surprise notification and/or delivery of the prize to you if you are a Winner. We will not share or pass these details on to any third party, but in adding them you are confirming that you have the consent from the other person to pass these details to the Promoter.
- 12.5 All communication between BOTB and the Potential Winner and/or the Winner, including but not limited to the prize amount and its alternative in cash, and any related details are strictly confidential. The Potential Winner and/or the Winner undertake not to disclose such information to any third party for an indefinite period, except for cases in which such disclosure is required by law, in which such information is already made available by us, or for cases in which prior written consent of the Promoter was obtained.

13. COMPETITION PRIZES

Spot the Ball Competitions

- 13.1 Spot the Ball Competitions include prizes comprised of many different physical prizes and/or cash amounts. However, for the avoidance of doubt, where multiple different prizes are advertised in connection with a Spot the Ball Competition, **only 1 (one) principal prize will be awarded for each Spot the Ball Competition ('Spot the Ball First Prize')** except as otherwise specifically stated on our apps and the Website. Spot the Ball prizes may also be awarded in the form of Game Credit (see clause 13.1(e) below). Please also note the following:
- (a) During the course of a Spot the Ball Competition, if, due to circumstances beyond our reasonable control, we are unable to provide the stated Spot the Ball First Prize, we reserve the right to award a substitute prize of equal or greater value.
 - (b) Winners are solely responsible for any and all applicable taxes, fees and expenses related to acceptance, ownership and use of a Spot the Ball First Prize, except where BOTB has explicitly stated it will cover any specific costs.
 - (c) For the avoidance of doubt, the maximum value that we will be liable to pay for or towards any Spot the Ball First Prize is the UK RRP (or local currency equivalent) of the Spot the Ball First Prize as advertised on our apps and/or the Website. For physical prizes, we will only transact with manufacturer-recommended principal dealers.
 - (d) Winners of the Spot the Ball First Prize will not win Game Credit for any entries made in the Competition in which they have won.
 - (e) **Game Credit Prizes:** Additional Spot the Ball Competition prizes may be won in the form of Game Credit for each Ticket that is close to the Judge's Position (excluding the Winner of the Spot the Ball First Prize) based on the relevant 'Zone' where the prediction is made. Game Credit is won in proportion to the basket value of each ticket, before any Game Credit is deducted, as follows:
 - (i) Tickets in Zone 1 are awarded at 100% of the Ticket price paid;
 - (ii) Tickets in Zone 2 are awarded at 50% of the Ticket price paid;
 - (iii) Tickets in Zone 3 are awarded at 15% of the Ticket price paid;

(iv) Tickets in Zone 4 are awarded at 10% of the Ticket price paid; and

(v) Tickets in Zone 5 are awarded at 5% of the Ticket price paid.

Game Credit may be used to purchase any Tickets. Game Credit has an expiry date which is shown in the Game Credit section of your BOTB Account and which is set in our sole discretion.

- (f) **Prize Extensions - Cash and Fuel Prizes:** You may select the option to add up to £50,000 cash and fuel for 1 (one) year to your Tickets in the Spot the Ball Competition. If you are the Winner, you will receive the cash amount selected, either as additional cash or you may wish to put some or all of it towards extras for your car. The Promoter will also pay for your fuel (or electricity) for one year for up to 20,000 miles, paid at a rate of 20 pence per mile (only for miles driven in the car you have won).
- (g) **Tie Break Entrants:** For the avoidance of doubt, the Spot the Ball First Prize won by the First Prize Winner will be the prize attributed to the Ticket that was equidistant from the Judge's Position and not any prize attributed to subsequent entries (which may or may not be used to establish the First Prize Winner). Conversely, in the event that a single entrant has more than 1 (one) entry involved in a Tie Break, one of which is identified as the First Prize Winner as a result of Tie Break Scenario 1 or Tie Break Scenario 2, the Spot the Ball First Prize will be awarded as follows: the prize that they will receive will be any prize up to a maximum RRP of the simple average UK RRPs of their entries involved in the Tie Break, or if they elect for to take the Cash Alternative, a simple average of the Cash Alternatives (per clause 13.12) of their entries involved in the Tie Break. Anyone involved in a Tie Break, except the First Prize Winner, will automatically win £1,000 cash.

Other Competitions

13.2 Except as expressly stated herein, the provisions of this clause 13.2 shall apply to prizes allocated in any Competition other than Spot the Ball Competitions (which are governed by the provisions of clause 13.1). All Competitions may include prizes from different categories, including cars, cash amounts, watches, motorcycles and other prizes. However, for the avoidance of doubt, where multiple different prizes are advertised in connection with a Competition, only 1 **(one) principal prize will be awarded for each Competition ('Competition First Prize')** except as otherwise specifically stated on our apps and the Website. Please also note the following:

- (a) Game Credit may be redeemed against Tickets.
- (b) In respect of Competitions where you are required to pre-select a Competition First Prize but you have not done so by the end of the Promotion Period, you will be disqualified and your entry(ies) will not participate in the draw.
- (c) Winners are solely responsible for any and all applicable taxes, fees and expenses related to acceptance, ownership and use of a Competition First Prize, except where BOTB has explicitly stated it will cover any specific costs.
- (d) For the avoidance of doubt, the maximum value that we will be liable to pay for or towards any Competition First Prize is the UK RRP of the Competition First Prize as advertised on our apps and/or the Website. We will only transact with manufacturer-recommended principal dealers.
- (e) During the course of a Competition, if, due to circumstances beyond our reasonable control, we are unable to provide the stated Competition First Prize, we reserve the right to award the prize in cash in the amount representing 100% of the UK RRP equivalent value of the Competition First Prize which otherwise would have been awarded to the Winner (rounded to the nearest £1,000) as displayed on our apps and/or the Website.
- (f) Where the Competition First Prize is a real property, if for any reason we are unable to provide the advertised property, we reserve the right to award a property which constitutes a reasonable equivalent.

13.3 All other expenses not expressly specified herein are the sole responsibility of the Winners.

13.4 All prizes are subject to the Terms and Conditions of the prize provider, manufacturer or supplier.

13.5 Each prize must be accepted as awarded and is non-transferable, or convertible to other substitutes and cannot be used in conjunction with any other vouchers, offers or discounts, including any vouchers or offers of the Promoter or other prize suppliers.

13.6 Where a cash prize or a physical prize needs to be claimed via your account, you can do so by accessing your BOTB Account, My Wins section, and claim the prize by providing the necessary information (such as postal address, bank account details, etc.) or opt for the alternates made available there for each listed prize, within the timeframe specified in clause 11.8 above. If an alternate prize is made available, the choice made in My Wins section from the winner's BOTB Account is final and cannot be subsequently changed.

Car Category Prizes

13.7 If a Winner elects to be awarded a car for a Spot the Ball First Prize or Competition First Prize, an order will be placed by the Promoter. Cars may be new or second hand, which will be made clear on the relevant Competition page on our apps and/or the Website. Please note that if the Winner elects to be awarded a car, certain cars may take up to (or even exceed) 12 (twelve) months to become available for collection or delivery, and cars will be ordered in basic specification. All cars will ordinarily be ordered and purchased by the Promoter from UK dealers and will be right-hand drive. Bespoke options and upgrades can be added at the Winner's request but must be paid for by the Winner in advance of any order being placed by the Promoter. Collection of the car from an address specified by us is free of charge. If the Winner elects to have the car delivered to a UK address, delivery will be arranged through our partners and the associated delivery fee will be payable by the Winner.

- 13.8 Cars may be delivered to a UK address and are not permitted to be exported outside the UK. If the Winner is not located in the UK at the time of winning the relevant Competition, then it is their responsibility to either provide a UK address for the car to be delivered to or elect to receive the Cash Alternative (see clause 13.12 below for how 'Cash Alternative' is defined).
- 13.9 We will contribute towards the cost of insurance and cover the cost of the first service for new cars only for the first 12 (twelve) months from the date that the car is delivered to you. The Winner shall be required to submit invoices for servicing and insurance to the Promoter as a condition precedent to any reimbursement or credit of such expenses. All servicing and insurance costs must be obtained at fair market value. The limits on the amounts that the Promoter will contribute towards insurance are as follows: (i) the Winner of a new car won with UK RRP up to £70,000 will receive a maximum of £1,000 towards insurance; (ii) the Winner of a new car won with UK RRP £70,001 – £125,000 will receive a maximum of £1,250 towards insurance; and (iii) the Winner of a new car won with UK RRP £125,000+ will receive a maximum of £1,500 towards insurance. It is the Winner's responsibility to organise and pay for their own insurance directly and the insurance policy must be in the name of the Winner only (with no other named drivers). Servicing must be undertaken by a main dealer and be subject to normal road use only. Valid invoices for servicing and insurance must be supplied to the Promoter before any money is reimbursed. The Winner must retain ownership of the vehicle for the entire twelve (12) month period from the date of delivery. In the event that the Winner sells/transfers ownership of the vehicle during this time, no further payments towards the first service or insurance will be made by the Promoter.
- 13.10 In the case of second hand cars or other vehicles, no complimentary insurance or servicing amounts are included, the Promoter will not make any contributions towards such costs, and it is the Winner's responsibility to ensure that valid insurance is in place and all such amounts are duly paid prior to driving the car on a public road.
- 13.11 In all cases, Winners are responsible for ensuring that road tax is duly paid in relation to any car or other vehicle won by them.

Cash Alternatives

- 13.12 In the event that a Winner does not accept a designated prize and/or delivery of a designated prize in the UK (including cars or other items listed, but excluding actual cash prizes), an alternative prize in the form of a cash payment ('**Cash Alternative**') is the only prize that can be claimed. The timeframe set forth in clause 11.8 is applicable for both claiming the designated prize or the cash alternative, where available. Unless otherwise provided in the Competition Rules, the Cash Alternative shall represent 70% of the UK RRP equivalent value of the prize which otherwise would have been awarded to the Winner (rounded to the nearest £1,000) as displayed on our apps and/or the Website, and in the case of the Winner of a Spot the Ball Competition, an additional cash amount (included as a prize extension in accordance with clause 13.1(f)) may be awarded on top of the Cash Alternative.

Instant Win Prizes

- 13.13 Fulfilment of Instant Win prizes (see clause 15.1 for how 'Instant Win' is defined):
- (a) **Car Prizes:** Instant Win car prizes are as specified on the 'Car Prize Details' section of the relevant Competition page on our apps and/or Website. We will ensure that each car won is HPI checked and comes with a valid MOT. We have no responsibility and shall incur no liability for the Instant Win car prize once it has been collected by or delivered to the Winner. A Cash Alternative as specified on the relevant Competition page on our apps and/or Website is available for each Instant Win car prize listed. In the event that a specified Instant Win car prize becomes unavailable, we will use reasonable efforts to secure a suitable alternative model within the Promotion Period according to the prize details as published on the relevant Competition page. In the event that we are unable to secure a suitable alternative within 30 (thirty) calendar days of the end of the Promotion Period, the Winner may choose to take a cash value, amounting to 30% more than the Cash Alternative specified. Collection of the car from an address specified by us is free of charge. If the Winner chooses to have the car delivered to a UK address, delivery will be arranged through our partners and the associated delivery fee will be payable by the Winner. Car prizes may be delivered to the UK and are not permitted to be exported outside the UK. If the Winner is not located in the UK at the time of winning the Instant Win Prize, then it is their responsibility to either provide a UK address for the car to be delivered to, or elect to receive the Cash Alternative (see clause 13.12 for how 'Cash Alternative' is defined).
 - (b) **Cash Prizes:** Instant Win cash prizes will be transferred to Winners with UK bank accounts within 21 (twenty-one) calendar days of receipt of the Winner's bank details. Winners of Cash Prizes of £100 or less who reside outside the UK will be awarded twice the equivalent amount in Game Credit. We can only guarantee the transfer of bank payments to Winners whose permanent country of residency is the UK. We will use reasonable efforts to make payments to Winners whose permanent country of residence is outside the UK, but we reserve the right to grant an equivalent amount of the Instant Win Cash Prize in Game Credit in the event this is not possible. For the avoidance of doubt, all Instant Win cash prizes will be paid in the same currency as the initial order / Ticket was purchased in.
 - (c) **Physical Prizes:** Instant Win physical prizes (for example, iPhones and holidays, but excluding cars) will be sourced by the Promoter and fulfilled within 21 (twenty-one) calendar days of receipt of the Winner's shipping details, subject to prize availability. A Cash Alternative as specified on the relevant Competition page on our apps and/or Website is available for each Instant Win physical prize listed. Instant Win physical prizes will only be shipped to UK addresses. Non-UK resident Winners will instead be awarded the Cash Alternative for physical prizes >£100, or twice the equivalent RRP amount in Game Credit for prizes £100 or less.

- 13.14 Where no specific prize fulfilment provisions are set out for a particular competition, the prize fulfilment conditions contained in clause 13.13 shall apply by default to such competition.

14. PERKS FOR PLAYING

- 14.1 We operate a 'Perks for Playing' scheme to reward applicable Competition entrants for both their loyalty and their skill. We may

make certain promotional offers in our sole discretion, which will be made clear on the relevant Perks for Playing page on our apps and/or the Website.

- 14.2 BOTB users who meet the required spend set out in clause 14.3 through direct purchases may qualify for rewards under the Perks for Playing scheme. A "direct purchase" refers to any purchase made using actual funds and excludes: (i) the purchase of any type of Subscription (Essential, Premium, or Ultimate BOTB Passes) and (ii) any purchase made using Game Credit.
- 14.3 If you meet the spend thresholds outlined below through direct purchases, you will be offered a Dream Car Competition ticket each week for a duration of 4 weeks and become eligible for the additional perks below. Additionally, you will receive the following perks:
- (a) Spend £9.99 over 4 weeks:
 - (i) an extra £2/month in Game Credit;
 - (ii) an additional £10 Game Credit if you are the closest player to the Judges' position for any given Dream Car Competition prize, as provided in clause 4.3 below.
 - (b) Spend £19.99 over 4 weeks:
 - (i) an extra £3/month in Game Credit;
 - (ii) an additional £20 Game Credit if you are the closest player to the Judges' position for any given Dream Car Competition prize, as provided in clause 4.3 below.
 - (c) Spend £40 or more over 4 weeks:
 - (i) an extra £4/month in Game Credit;
 - (ii) an additional £30 Game Credit if you are the closest player to the Judges' position for any given Dream Car Competition prize.
- 14.4 The spend thresholds must be achieved through direct purchases only; usage of Game Credit or Subscription purchases does not count towards these thresholds.
- 14.5 Dream Car Competition tickets earned through the Perks for Playing program are automatically added to your account every Monday at midday. To use your ticket, log into your account, select the available ticket from your basket, and then choose the car you wish to play for. Tickets are valid only for the current Dream Car Competition and will expire at the end of that competition period.
- 14.6 Game Credit earned through the Perks for Playing program is awarded in weekly instalments every Monday and expires at midnight the following Friday. The amount of weekly Game Credit awarded depends on your qualifying spend level over the preceding four weeks, as outlined in clause 14.3.
- 14.7 Additional Game Credit for being the closest player to the Judges' position is awarded only for the Dream Car entry offered via Perks for Playing reward scheme, if you have reached the relevant spend threshold through direct purchases.
- 14.8 Game Credit awarded under the Perks for Playing program may not be exchanged, refunded, or redeemed for cash.

15. INSTANT WINS

- 15.1 In addition to the prizes awarded in any of the Competitions, we may, in our sole discretion, supplement any prizes awarded in any such Competition with '**Instant Win**' prizes. The number and value of potential Instant Win prizes may vary during the course of a Competition. The opportunity to participate in an Instant Win prize draw will only be available for a specific period whilst a Competition is open ('**Instant Win Promotion Period**') and the Instant Win Promotion Period may not be active for the entire period that the Competition is open. Instant Win prizes will only be available for entries that the Promoter has received during the Instant Win Promotion Period.
- 15.2 **Eligibility and Participation:** Participants will not be required to pay any additional fees to be eligible for Instant Win entries and prizes. Participation in Instant Win prize draws will be automatically generated by paid Tickets and/or Postal Entries and/or SMS Entries in qualifying Competitions. For the avoidance of doubt, paid Tickets into qualifying Competitions will be charged at the same price as an equivalent entry in the same type of Competition where no Instant Win prizes are available or promoted, and Postal Entries will remain free of charge.
- 15.3 **Draw of Instant Win prizes:** For Competitions in which Instant Win prizes are available and promoted, Winners will be selected separately from the principal Competition Winner(s) after the confirmed purchase of the Ticket and/or entry into the Competition. The draw will be made using random number generator software (from PromoVeritas or similar) and the Winner will be drawn from all qualifying entries into the principal Competition. Alternatively, Instant Win prizes may be drawn as follows:
- (a) Winning entries will be randomly selected before the Competition goes live and cannot be changed ('**Pre-assigned Winning Entries**'); and
 - (b) Once an Instant Win Ticket has been purchased and/or entry has been made, a number for each successful entry is generated randomly which will then be referenced against the Pre-assigned Winning Ticket numbers, to determine whether it is eligible for an Instant Win prize(s).
- 15.4 **Game Credit Prizes:** Instant Win Game Credit prizes will be added to the Winner's BOTB Accounts within 24 (twenty-four) hours of the prize being won. Instant Win Game Credit expires 72 (seventy-two) hours after being added to a Winner's BOTB Account.

15.5 Instant Win prizes will not be awarded for any Competition which closes on a non-business day, provided, however, that all valid entries into that Competition will still be entered into the relevant prize draw (if applicable).

16. SUBSCRIPTIONS

Subscriptions and Subscription Periods

16.1 A Subscription means a specific subscription plan purchased at a particular tier (Essential, Premium or Ultimate) and for a specific renewal timeframe (monthly or annually). A Subscription is an agreement of indefinite duration, which continues to renew automatically unless and until cancelled. Each Subscription is subject to a renewal period (the "Subscription Period") which may be monthly or yearly. Your Subscription Period is determined by your choice of Subscription tier and billing frequency when purchasing your Subscription, and a Subscription payment ("Subscription Fee") will be payable at the start of each Subscription Period. A Subscription Period relates solely to the specific Subscription purchased and does not continue, transfer, or roll over where a Subscription is cancelled and a new Subscription (including at the same tier, or at a different tier) is purchased, even if the Subscription Periods overlap in time.

16.2 For a Monthly Subscription, the first Subscription Period will begin on the date you first agree to subscribe and your Subscription will renew automatically on the same date each subsequent month until cancelled. For an Annual Subscription, the first Subscription Period will begin on the date you first agree to subscribe and will renew automatically on the same date each subsequent year until cancelled in accordance with these Subscription Terms. If you enter into a Subscription on a date which is not repeated in a subsequent month or year (as relevant), your renewal date in that subsequent month or year will be on the next closest preceding day. For example, a Monthly Subscription starting on 31 January, will renew on 28 February, 31 March, 30 April, 30 June, 31 July etc.). An Annual Subscription entered into on 29 February in a leap year, will renew on 28 February in non-leap years.

16.3 Your Subscription entitles you to a specific number of entries to specific Competitions which we operate each month. The categories of Competition and the numbers of entries you are entitled to for each category per month differ according to the Subscription you take out. The details of the various classes of Subscription and the benefits attached to each are provided to you when you select your Subscription and the details of the Subscription you acquire will be confirmed by us by email shortly after you purchase your Subscription.

16.4 Except Dream Car, Instant Win and Lifestyle Competitions (which you must enter manually), you will automatically be entered into the Competitions you are entitled to according to your Subscription when you first subscribe and at the start of each subsequent Subscription Period for the duration of your Subscription.

16.5 Where your Subscription entitles you to one or more entry per Subscription Period to our Instant Win Competitions, you will receive your first Instant Win entries immediately after you purchase your Subscription, and each further set of Instant Win entries monthly thereafter, when (or shortly after) your Subscription renews or (for Annual Subscriptions) each month, but you must enter those Competitions yourself. You must utilise the Instant Win entries within the relevant Subscription Period or (in the case of Annual Subscription), each month within the Annual Subscription Period, after which they will expire.

16.6 Where your Subscription entitles you to one or more entry per Subscription Period to our Dream Car Competitions, you will receive the first entry immediately after you purchase your Subscription, and each subsequent entry into your account when the relevant Competition launches, but you must enter those Competitions yourself. Each Dream Car Competition runs from Monday to Sunday in a single week. You must utilise the entries before the relevant Competition closes, after which they will expire.

16.7 Where your Subscription entitles you to one or more entry per Subscription Period to our "Lifestyle Competitions", you must enter the competition yourself. Winning entrants in Lifestyle Competitions can choose from a selection of different potential prizes when they enter the Competition. You may select the prize you wish to win by using your BOTB Account to manage your entry. However, in order to do so, you must have completed the registration details for your BOTB Account. If you do not make a selection in this way, your ticket will be automatically entered into the competition and allocated to a default prize selected by us, which (unless otherwise notified) will be a chance to win a Cash Prize of £25,000.

Subscription Fees

16.8 By purchasing a Subscription, you are committing to the payment of the first Subscription Fee, and all subsequent Subscription Fees, until the Subscription is cancelled in accordance with these Subscription Terms. The Subscription Fee applicable to your Subscription is displayed on the Subscription page on our website and mobile app, and will be visible to you when you confirm purchase of the Subscription. We reserve the right to amend the Subscription Fee payable from time to time by giving you notice in accordance with clause 3.1 above.

16.9 Subject to the provisions in clauses 16.16– 16.24 (Cancellation), if your Subscription renews yearly (an "Annual Subscription"), you will become liable to pay the Subscription Fee when you purchase your Subscription and on the renewal of the Subscription every year until the Subscription is cancelled. If your Subscription renews every month (a "Monthly Subscription") you will become liable to pay the Subscription Fee when you purchase your Subscription and on renewal of the Subscription every month until the Subscription is cancelled in accordance with these Subscription Terms.

- 16.10 The payment information you provide on taking out your Subscription will be retained by our payment processing partner and they will use that information to process the payment of the Subscription payment on each renewal. You authorise us and our payment processor to retain your payment details and to take all Subscription payments for which you are liable without further recourse to you unless and until the Subscription is cancelled in accordance with these Subscription Terms.
- 16.11 You agree to keep your payment and account information up to date via the My Account page and, in the event that this information needs to be updated, you undertake to update it.
- 16.12 You will remain liable for any Subscription payment which falls due even if the payment cannot be processed by us for any reason.
- 16.13 If you do not already have a BOTB Account when you subscribe, we will create a BOTB Account for you at the time you subscribe. All Competition entries for your Subscription will be connected with that BOTB Account. We will email you with a link to your BOTB Account and will take reasonable steps to prompt you to complete the additional details required to complete your BOTB Account registration details. In these circumstances it is your responsibility to complete the registration details connected with your BOTB Account and you should complete the registration details for your BOTB Account in order to be able to manage your Subscription and Competition entries.
- 16.14 You must complete the registration details for your Account in order to receive a prize which you are awarded in a Competition. If you have not yet done so, and if you become a Potential Winner (see clause 11.5 above), we will email you to notify you. If you have not completed the registration details within 10 (ten) calendar days from the date on which we first notify you (which may be extended in our sole discretion), then you will be deemed to have forfeited the prize (see clause 11.8 above).
- 16.15 However, we may continue to provide the Subscription services to you without you completing the registration details and, subject to the provisions of clauses 11.7 and 11.8 above (under which a Potential Winner may be deemed to have forfeited their right to receive a prize) you will be eligible to win prizes even if you have not yet completed the registration details in your BOTB Account.

Cancellation and the Effect of Cancellation

- 16.16 You are entitled to exercise your statutory right of withdrawal – to cancel your Subscription and to request a refund, at any time within the period of 14 days starting with the date you first subscribe (the "Cooling-off Period"), without giving a reason, and without incurring any liability by making a clear request in writing to info@botb.com.
- 16.17 However, when you purchase your Subscription you expressly request and authorise us to begin to provide the Subscription services immediately. You also expressly agree and acknowledge that once we have performed the Subscription services (which we will do by providing to you the Competition entries for the initial Subscription Period) you will no longer be entitled to a full refund.
- 16.18 You may cancel your Subscription at any time by giving us notice in accordance with clause 16.19 below. Subject to your cancellation notice being received by us at least 2 Working Days prior to your next renewal date the cancellation will take effect at the end of the Subscription Period in which you send your notice to cancel.
- 16.19 In order to cancel you your Subscription you must use one of the following methods:
 - (a) Once you have completed the registration details on your BOTB Account, you may cancel by accessing your BOTB Account and choosing "Manage My Subscription", selecting "Cancel" and confirming your choice by clicking "Cancel Subscription"; or
 - (b) You may send the following "Model Cancellation Form" (duly completed) by email to info@botb.com

Model Cancellation Form

To: Winvia Entertainment Plc

I hereby give notice that I am cancelling my BOTB Subscription.

My Name: _____

My address: _____

My Email address: _____

My Subscription/Account number: _____

Date: _____

- 16.20 When we receive your notice to cancel, we will email you to confirm receipt and to confirm the date when your Subscription will end.

- 16.21 When you cancel your Subscription, your entitlement to continue to participate in Competitions for the remainder of your Subscription depends on whether the relevant Competitions close before or after your cancellation takes effect. If you are entered into a Competition which will close before the cancellation takes effect, your entry will remain valid, and you will be eligible to win prizes in that Competition. However, if you are entered into any Competition which closes after your cancellation takes effect, your entries in such Competition(s) will be void and you will not be eligible to win any prizes.
- 16.22 We reserve the right to cancel or to suspend your Subscription if you breach the Terms and Conditions, including these Subscription Terms, including if you fail to pay any Subscription Fee when it falls due. In the event that we suspend your Subscription, you will not be entered into any further Competitions and entries for active Competitions provided as part of your Subscription will be void unless and until we restore your Subscription.
- 16.23 If your Subscription payment is not successfully processed on the renewal date, we may retry payment daily for a period of up to 30 days in which your Subscription will change status from “active” to “past-due” status. However, entries, including automatic Competition entries, will continue to be credited on a provisional basis. Where payment is not successfully completed by the end time of any Competition for which entries have been credited or used, those entries will be automatically voided and will not be eligible to win a prize. If payment is successfully completed during this time, your Subscription will continue uninterrupted. If you cancel your Subscription while payment retries are ongoing, the cancellation will take effect at the end of the then-current billing cycle, and the applicable subscription fee for that billing cycle shall remain payable. If all payment retry attempts fail, your Subscription will be suspended and no further Competition entries will be credited.
- 16.24 We reserve the right to restrict the availability of the Subscription service to new customers at our discretion. Such changes will not affect subscribers who have already purchased or renewed their subscription, unless we discontinue the service altogether.
- 16.25 Any free or promotional benefits, such as vouchers, discounts, entries to competitions, etc., awarded through reward schemes or special offers are conditional on the Subscription not being cancelled under the statutory 14-day right of withdrawal. Where that right is exercised and a refund is given, any such free or promotional benefits (whether used or unused) will be voided. These benefits have no cash value and are not refundable.

17. SUBSCRIBERS COMPETITION

- 17.1 Subscribers Competition is a Free Entry Competition.
- 17.2 To enter the Subscribers Competition, you must (i) purchase a BOTB Subscription which must be active and valid, and/or (ii) enter by Postal Entry. The maximum Competition Entry Limit for any participant is fifteen (15) entries for each Subscribers Competition. Each Subscribers Competition closes after seven (7) days from the date it started – for instance, a Subscribers Competition starting on Wednesday will end next Wednesday at 21:00, when the prize draw will take place.
- 17.3 At the end of each Subscribers Competition, entries to the prize draw are allocated as follows: (i) each valid Postal Entry grants one (1) entry, (ii) an active BOTB Essential Pass subscription grants two (2) entries, (iii) an active BOTB Premium Pass subscription grants six (6) entries, and (iv) an active BOTB Ultimate Pass subscription grants fifteen (15) entries.
- 17.4 Each Subscribers Competition will have the same type of prizes (phone, cash, game credit and tickets prize) and the same number of prizes which will be awarded at the end of the competition. Additional details regarding prizes are available on the Subscribers Competition page. From time to time, we might organize special Subscribers Competitions, with different prizes than the regular Subscribers Competitions („Special Subscribers Competition”), in which case details regarding the prizes will be made available on the relevant page. The prize draw for Special Subscribers Competition will take place at 21:00, two (2) days after the competition ends.
- 17.5 If a Postal Entry for a Subscribers Competition is validated after that competition ends, one (1) entry into the next Subscribers Competition will be allocated for that Postal Entry, as all Subscribers Competitions have the same type and the same number of prizes. In case of a Special Subscribers Competition, the Postal Entry must reach us and be validated before the prize draw takes place, which is before 21:00, two (2) days after the competition ended, an extension made to allow sufficient time for postal entries to the Special Subscribers Competition draw to be processed.

18. REFER A FRIEND

- 18.1 We may offer a 'Refer a Friend' scheme in our sole discretion, which would reward customers for referring genuine friends and acquaintances as new customers to the Promoter. The terms and conditions for any such 'Refer a Friend' scheme and any promotional offers that we may make available in connection with the scheme will be made clear on the relevant 'Refer a Friend' page on our apps and/or the Website.

19. STORAGE AND DELIVERY

- 19.1 We can store the chosen prize free of charge for 30 (thirty) calendar days after notifying the Winner, at the end of which time we will attempt to deliver the prize to the Winner. If the Winner fails to accept the delivery of the prize(s) for whatever reason, the Winner

will not be entitled to receive the prize, any alternative prize, or any other compensation from us of any kind.

- 19.2 Where a prize is not capable of being shipped or delivered via standard courier services (including, but not limited to, items such as an iPhone), the winner shall be solely responsible for making any necessary arrangements for the collection or delivery of such prize. All costs and expenses incurred in connection with such collection or delivery shall be borne by the Winner.

20. PUBLICITY

- 20.1 Winners may be required to provide photographs and/or pose for photographs and videos, which may be used in future marketing and public relations by the Promoter in connection with the Competition and in identifying them as a winner of a Competition.
- 20.2 We may publish certain of your information for transparency reasons to indicate that a valid prize was awarded for each of our Competitions – for example, we may publish your name, country of residency, and photograph on the 'Winners' section of our apps and/or the Website. If you do not want this information to be made publicly available, then you should notify us in writing (however, you acknowledge and accept that even where you provide such notice, we may still have to provide your personal information to third parties including regulatory authorities (including the Advertising Standards Authority) and/or law enforcement agencies upon request).

21. YOUR BREACH OF THE TERMS AND CONDITIONS

- 21.1 To the fullest extent permitted by applicable law, you agree to compensate the Promoter and our officers, directors, employees, agents, and suppliers for any reasonable losses, liabilities, damages, costs, expenses or similar that are sustained or incurred by us arising out of your breach of the Terms and Conditions. We may elect to have control of the defense or settlement, which shall be exercised in our reasonable discretion, against any third-party claim, demand, action, or proceeding arising out of your use of the Services.

22. DISCLAIMERS AND LIMITATIONS OF LIABILITY

- 22.1 Nothing in the Terms and Conditions shall exclude or limit our liability for: (i) death or personal injury resulting from our negligence; (ii) fraud or fraudulent misrepresentation; or (iii) any other liability that cannot be excluded or limited as a matter of applicable law.
- 22.2 If we fail to comply with the Terms and Conditions, we shall be liable for any loss or damage which is a reasonably foreseeable consequence of our breach of the Terms and Conditions or our negligence (for example, losses which would be an obvious result of our breach, or damages which were contemplated by both you and us at the time of you entering a Competition), but we shall incur no liability to you for any loss or damage which is not reasonably foreseeable.
- 22.3 Save as set out in clause 22.1, our maximum liability to you in relation to any one incident or a connected series of incidents, whether for breach of contract, tort (including negligence), or otherwise, will be limited as follows:
- (a) where our liability relates to your participation in a Competition and you have won a prize, it will be limited to the cash value of the prize;
 - (b) where our liability arises from the loss or deletion of your entry, a failure to process your entry, or a technical issue, fault, or other system-related failure which prevents your entry from being successfully registered or processed in a Competition, then your sole remedy shall be a replacement entry into another Competition;
 - (c) in all other circumstances, £100 (one hundred pounds).
- 22.4 To the fullest extent permitted by applicable law and without prejudice to your statutory rights, we will not be liable for any loss or damage suffered or sustained by you or any other person as a result of:
- (a) any use by you of the Services in breach of the Terms and Conditions;
 - (b) the abuse of the Services by other users;
 - (c) any delay in the supply of any goods to the Winner(s);
 - (d) the cancellation or claw-back by us of any prize in accordance with the Terms and Conditions;
 - (e) any computer, telephone, cable, network, electronic, system, hardware, software or internet malfunctions, failures, bugs, viruses, errors, availability issues, or any deviation from the expected functioning of the Services for whatever reason (unless as a result of our failure to use reasonable skill and care);
 - (f) any events, acts, omissions, accidents or delays in performance of our obligations which are beyond our reasonable control, including: (i) in connection with the acts, omissions, defaults, breaches, inactions, systems or software failures of any third party providers who assist in providing the Services; (ii) your or any other person's use or misuse of the Services (including our apps and/or the Website and your BOTB Account); (iii) any failures caused by the equipment or hardware that you use to access the Services; (iv) any failed, partial or garbled computer transmissions; (v) unauthorized access to, or alteration of, your transmissions or data; or (vi) war, terrorist activity, riots, malicious damage, fire, flood, storm, nuclear accident or compliance with any new law or governmental order, rule, regulation or direction; or
 - (g) any damage to your equipment or hardware or loss or corruption of data that results from your use of the Services (including our apps and/or the Website), except that where any defective digital content that we supply to you damages any of your equipment or hardware which is caused by our failure to use reasonable skill and care, we will either repair the damage or pay you compensation (as determined in our sole discretion).

- 22.5 We reserve the right in our sole discretion to extend the closing date of any Competition, if for any reason any aspect of the Competition is not capable of running as planned, including by reason of infection by computer virus, network failure, software error, bugs, tampering, unauthorised intervention, fraud, technical failures or any cause beyond our reasonable control which corrupts or affects the administration, security, fairness, integrity or proper conduct of the Competition. We may in our sole discretion cancel, terminate, modify or suspend a Competition, or invalidate any affected entries. In the event that we close a Competition early, the Winner may be selected from all valid and eligible entries that we receive prior to the date of closure, except that we reserve the right, in our sole discretion, to close a Competition early without selecting a Winner. In the event that a Competition is closed without selecting a Winner, we will give all entrants Game Credit to enable them to replay equivalent entries in a subsequent Competition.
- 22.6 For the avoidance of doubt, only the entry coordinates for Spot the Ball Competitions and/or order details recorded in our systems, howsoever displayed or calculated, shall be entered into the relevant Competition and we shall not be held liable for any Competition entries that occur as a result of malfunctioning software or other event. Competition coordinates and/or entries may be checked at any time by accessing your BOTB Account.
- 22.7 We do not exclude or limit our liability to you in any way where it would be unlawful to do so.

23. YOUR PERSONAL DATA

- 23.1 **Any personal data that you supply to us or authorise us to obtain from a third party (for example, a credit card company) will be used by us to administer the Competition and fulfil prizes where applicable. We will only use your personal information in accordance with our Privacy Policy and Cookie Policy.**
